

PHILADELPHIA PATHWORK REGION®

Thus, out of group unification and group consciousness a much more clearly defined individual will evolve. And these clearly defined individuals will contribute to a greater unity in the group process. PGL # 238

Dear Friends of Philadelphia Pathwork:

The Philadelphia Pathwork Board invites you to join or renew your membership for 2007/2008. We are particularly excited about our efforts this year to "go public" in a new way as evidenced by our presence for the first time in the Mind, Body Spirit Expo and our full page advertising in *Creating Communities*. We have stepped out on faith that these efforts will enrich and enlarge our community and we ask for your participation and your support.

One of our primary issues of focus for this year and next is to market the Pathwork and make ourselves better known. To those whom our work resonates we are hoping they will join us at our expanded First Fridays and our new monthly offerings. Your support will help make our outreach possible and allow us to bring The Pathwork teachings to new people searching for the spiritual nourishment that The Pathwork can provide. In addition to reaching out to new people we are looking at ways to further engage our existing Community. Whatever support you can offer will assist us in taking these steps, which we believe will keep us growing and vibrant.

Our objectives are:

1. ***Education:*** To foster and encourage spiritual growth and understanding of the Pathwork teachings, principles and practices locally and worldwide. We offer classes, workshops, lectures and community gatherings.
2. ***Communication:*** To provide staff, promote activities, develop and maintain a website and undertake other activities in order to foster community growth. Visit us at <http://www.philapathwork.org>.
3. ***Support:*** Provide deposit loans, scholarships and other support to members and Helpers of the Philadelphia Pathwork Region.

For the coming year our goal is \$5,000 for dues. In addition, we have budgeted for gifts and other revenue totaling \$3,000. Our intention is to average a dues payment of \$125 per member. We ask that you discern what amount feels right to you. Any gift will be received with gratitude for the spiritual and practical support it offers. It would be great if you can make a contribution in addition to your membership dues.

Member: those who are dedicated to serving the Philadelphia Pathwork Region are invited to provide support in the range of ~ \$50 - \$250.

Friends of the Philadelphia Pathwork: for those who wish to make an additional contribution.

Please visit our web site at <http://www.philapathwork.org> to see the budget for the fiscal year September 1, 2007 through August 31, 2008 as well as the financial results for the fiscal year ended August 31, 2007.
