*Come and join in a day
of community connection!*

Our keynote presenter is Kim

Rosen, author of a recently released book, *Saved by A Poem*. Kim is a seasoned Pathworker, a certified practitioner of Breathwork and the

Work of Byron Katie, and has presented in the Vermont and California Pathwork communities. She utilizes music and poetry in creative alchemistic ways to deepen and enliven our experience of the lectures... to move them beyond the spoken word and into real soul experiences. She uses poetry as the "agent of healing and the fire of transformation."

In the afternoon we will also be holding a Commitment ceremony so if you feel called please review the commitments with your Helper and pray to determine which are appropriate for you to make at this time. We will also have the good fortune to hear from the TP, HTP and Advanced Studies classes as they inform us about their year of study – and we are certain some of them will be presented in skit form and promise to be as entertaining as they have been in past years!

Bring your checkbooks – you will want to treat yourself! **You are invited to participate in our Silent Auction** where there are many wonderful and special bargains offered. We have services such as CranialSacral work, massages, Feldenkrais work, workshops, a lovely Guatemalan rug, etc. (If you would like to donate services or items please contact Michael Ann Walstad, mwalstad@comcast.net.)
